# GRAIN LICK FEEDER

**\$2,250 + GST**

## Introducing the NEW AGRIBIN Feeder

Featuring an adjustable flow rate opening, robust construction, galvanised coating, hinged verandahs, weather protection over the tray and full opening lid.

Suitable for all types of livestock.

Fully **Australian Made** for our livestock and our conditions.

## Features:

- Lick feeder for 100% grain and/or pellets
- Easy adjustable opening to control feed rate
- Sliding lid for easy filling
- Sight glass at each end
- Step on side of feeder for better viewing
- Deep trough to prevent feed wastage
- Folding weather verandahs for larger sheltered feeding area and narrow transport
- Side wall gutters to prevent water running into feed trough
- Stackable for transport
